\*For every 10 boxes of filler ordered we will provide an additional two boxes as a bonus

These will be automatically added to your order but not reflected in the cart.

If you order the same number of boxes of two separate products you will receive two bonus boxes of the least expensive product.

If you are ordering 20+ boxes and want two bonus of one and 2 bonus of another, consider doing two separate orders.

All prices exclude GST. Prices include medical supervision of S4 Medication.

Although we will make every effort to inform you, these prices are subject to change without notice.

Delivery fees may apply. See the last page of this document for important information on delivery.

*Clinics wishing to order product with Fresh Clinics must be approved by our team before purchasing.*
